

NATIONAL NQM QUILT MUSEUM

Pattern Fusion No. 18, Motherboard 9 by Arturo Alonzo Sandoval

EDUCATION & STEAM PROGRAMS

The National Quilt Museum

Inspiring Creativity Through Learning

The National Quilt Museum offers educational experiences for all ages and skill levels through classes, workshops, demonstrations, lectures, and youth programs. Education is central to the Museum's mission of honoring today's quilters and inspiring future generations.

Educational Impact

Since opening in 1991, the Museum has provided educational opportunities for more than 100,000 students and lifelong learners.

Programs serve:

- K-12 students
- Teachers and homeschool families
- Beginning and experienced quilters
- Lifelong learners
- Visitors from around the world

STEAM Learning Through Quilts

The Museum uses quilts to teach concepts related to:

- Science
- Technology
- Engineering
- Arts
- Mathematics

By combining art and critical thinking, students develop creativity, problem-solving skills, and appreciation for textile traditions.

Programs Include

- Adult classes and workshops
- Artist demonstrations
- Community Program
- Lectures and presentations
- Onsite STEAM activations
- Remote STEAM activations
- School outreach
- School Block Challenge
- Virtual programs

Mission

Through engaging educational experiences, The National Quilt Museum seeks to preserve quilting traditions while encouraging innovation and creativity for future generations.
